Hogar Infantil provides breakfast, lunch and snacks for all students on a daily basis. Our program is approved by the Department of Agriculture; therefore, no outside food is allowed to be brought in for students, unless one or both of the following reasons apply:

- There is a medical reason why the student cannot eat the food provided for that day by Hogar, and/or,
- There is a religious reason why the student cannot eat the food provided by Hogar.

**Under both circumstances a written document to that effect must be provided to Hogar before any outside food is allow to be brought in for the student.**
